Police Response to Active Shooter Instructor Certification- ENHANCED

Innovative tactics and tried-and-true techniques are the hallmark of this course which is designed for individuals assigned the responsibility to teach police and SWAT personnel in immediate deployment/rapid intervention techniques as well as squad movement and tactics for response to larger-scale incidents. This is a train-the-trainer course. Topics to be covered include an historical overview of active shooter situations including school shootings, immediate deployment/rapid intervention tactics, barricade-hostage rescue concepts and instructional techniques, traveling, bounding overwatch, flanking, rescues and counter-ambush. Note: the Enhanced training is similar to, and compatible with, MAC-TAC and PACOPS. Simunition weapons will be used in field training exercises.
